## Educational Services

### Lakeshore is an approved provider for professional education and development.

With over 50 topics to choose from, our diverse team of motivational and professional speakers makes learning fun!

Programs are informative, interactive and designed to meet the specific needs of our audience.

#### Program offerings include:

- Professional workshops for healthcare professionals, specifically designed to meet continuing education requirements.
- Workshops designed to support specific educational or marketing objectives.
- Corporate training and staff in-services.
- Educational courses for schools, universities, colleges and career centers.
- Individual consultations and coaching for work or personal concerns.
